Thank you for choosing **ADRIFT ADVENTURES!** We are delighted to be able to share the Canyonlands National Park and Colorado River through Cataract Canyon with you. We take great pride in our equipment as it is the finest in the business. Our boats are designed for passenger comfort and safety. Our food is known for being among the best on the river! Juicy steaks, barbecued chicken, halibut or salmon and stir fry, fresh salads, and much more will tantalize your taste buds throughout your stay. Our experienced and friendly guides are proud to be your hosts and they will help provide a vacation you'll talk about and remember for years to come. There is a mandatory physical check-in after 5:00 p.m. the evening before your trip, to pick up your river bags and camera box. Our office is open until 8:00 p.m. each evening and is located at 378 N. Main Street in Moab. Office phone number is 435-259-8594. Meeting time the morning of the trip is 7:30 a.m. Mountain Time. Our four-day motorized trip on the Colorado River averages out to a guide for every eight guests. This trip offers some of the wildest whitewater during the months of May/June and into July. From July through October, the river calms itself with lower waters; but by no means is it placid! Please be aware that water levels fluctuate yearly and it is difficult to determine exact water flows during departure weeks. This trip is on a motorized J-Rig: This is one of the smallest motor vessels used on the river. This specially designed boat allows for safe, exciting rides at all water levels.
