

WESTWATER CANYON ONE-DAY ITINERARY

Thank you for choosing Adrift Adventures! Our Westwater Canyon Raft Trip is the best short whitewater trip available in the West. This legendary canyon of powerful rapids and outstanding scenery is highly respected by river runners and professional guides alike. Westwater Canyon is one of 'the finest examples of "The Mighty Colorado".

This proposed Wild and Scenic River is totally isolated from modern civilization. Westwater Canyon is a canyon of serene solitude surrounded by red sandstone spires. The river "cascades through the ever-deepening sandstone monuments and into the narrow Black Granite Gorge. Here, the river meets opposition from the canyon walls, creating the fast and furious rapids, such as Funnel Falls, Last Chance, The Steps, and, of course, the infamous Skull Rapid that gives Westwater its reputation of a highly exciting rafting trip.

This trip is designated for adventure seekers, canyon lovers, and especially those looking for great rapids on a remote and regulated river. The number of people allowed to run Westwater Canyon is strictly regulated, keeping the number of people on the river to a very small amount. This will allow for a better chance to see wildlife and experience the true remoteness of Westwater Canyon.

Lunch is included with your trip, so you need not worry about bringing food. We also supply transportation to the river and back, a fully-certified guide, and all of the rafting equipment. In addition, you will be supplied with an ammo can to hold any personal items you would like accessible 'on the river (such as sunscreen and camera) and a U.S. Coast-Guard-approved lifejacket. Our boats will have water coolers on them at all times and lemonade is provided with lunch. Feel free to bring your own water bottle for accessibility. We will return to Moab approximately 5 P.M.
