There is a mandatory check-in after 5:00 p.m. the evening before your trip, to pick up your river bags and camera box. Our office is open until 8:00 p.m. each evening and is located at 378 N. Main Street in Moab. Office phone number is 435-259-8594. Meeting time the morning of the trip is 7:30 a.m. Mountain Time.

Our two-day trip on the Colorado River averages out to a guide for every five guests. This trip offers some great whitewater during the summer. Please be aware that water levels fluctuate yearly and it is difficult to determine exact water flows during departure weeks.

DAY 1: Meet Adrift Adventures at the Moab office; 378 N. Main at 7:30 a.m. Leave your vehicle in our parking lot and be transported to the river put-in via Adrift vehicles. Drive time is approximately 1-1/2 hours. Your first day will cover the fiat waters of the Colorado River. There will be a few hikes to break up the day, ranging from five minutes to half an hour. Lunch, dinner and camp are at river's shore. You're welcome to visit our library on the river or partake in horseshoes, volleyball or a little backgammon.

This trip is designed for adventure seekers and canyon lovers and especially those looking for great rapids on a remote and regulated river. The number of people allowed to run the Westwater Canyon is strictly regulated, therefore keeping the number of people on the river to a very small number. This will allow for a better chance of seeing wildlife and just experiencing the true remoteness of Westwater Canyon.

DAY 2: Your second day has you within the heart of Westwater Canyon. After a hearty breakfast cooked by your guides, you'll depart on the Colorado River. This proposed Wild and Scenic River is totally isolated from modern civilization. Westwater Canyon is a canyon of serene solitude surrounded by red sandstone spires. The river cascades through the ever-deepening sandstone monuments and into the narrow Black Granite Gorge. Here the river meets opposition from the canyon walls, creating the fast and furious rapids such as Funnel Falls, Last Chance, The Steps, and of course, the infamous Skull Rapid that give Westwater its reputation of a highly-exciting rafting trip on the Colorado. Lunch is mid-afternoon on the banks of the Colorado River, with a return back to our office at approximately 3:30 p.m.

Our crew offers a chance to explore the regions of Canyonlands and Westwater Canyon. Each trip is different, as we have people join us from around the country as well as abroad. You'll meet everlasting new friends and establish a relationship with the river's romance.
